Recycle Safely!

To help celebrate Earth Day Tuesday April 22nd) we will be launching a new program. Beginning in April, at your building's entrance, you will find receptacles for placing **old printer ink cartridges and cell phones**, so they can be recycled safely, in an environmentally friendly way.

Save Paper—and Time!

We're asking **ALL of our residents** to sign up for our Direct Rent Payment Program to save time and resources when paying rent. No need for paper checks, envelopes, stamps and mailing—your rent can get easily and automatically deducted from your checking or savings account. Plus, by participating, you can reduce your exposure to mail fraud.

Please fill out the attached form and return it to us with a voided check by April 21st! You can have rent come out of more than one account so if you need an additional form call the office.

Eliminate Junk Mail!

While we are happy to provide recycling containers by our mailboxes, we would be even more happy to reduce the amount of junk mail that all of us receive. **Stay tuned for upcoming news** on how you can help reduce that annoying and wasteful junk mail!

KEEP OUR YARDS GREEN & CLEAN!

The snow and ice are FINALLY melting! As we all look forward to spring, we encourage you to be mindful of your neighbors. If you or your guests are smoking outside your building, please place all cigarette butts in the designated receptacles by the entrances. Also, if you're in a building that allows dogs, please clean up after your pet and please take them away from the entrance of the building when they need to go. **Help keep our entrances and grounds clean and enjoyable for everyone.**

**Refer a Friend and
BOTH of You Receive
\$100 OFF Your Rent!**
